"A book too can be a star, a living fire to lighten
the darkness, leading out into the expanding universe."

Madeleine L' Engle

By the time he was not even a graduate, Rakesh Kushwaha had already founded a graphic design company with his younger brother, a carefree college going student who was happy drawing sketches of his friends and creating beautiful paintings of objects around just for fun and for his own satisfaction, Rajesh Kushwaha.

At a time when the existing print & design industry was into traditional methods, Rakesh with a clear vision and Rajesh an explorer of new ideas both self-described “artists of technical aptitude” were looking into future solutions, they were clearly ahead of times, being students of science, artist by nature, perfectionists and innovative and their zeal to get into new technologies helped “Time Graphics” to grow rapidly and achieve the position and respect it holds today in the industry.

Time Graphics has its roots in the age old belief of honesty, innovation & creativity through open mind and new ideas.

Around 24 years back Time Graphics was founded, in modern day language a startup, by two young brothers Rakesh & Rajesh Kushwaha, still in college studying science but artist by nature, in the historic city of Meerut in northern India, just 50 miles from New Delhi, capital of India.

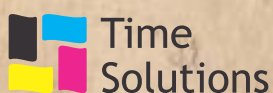

Time Graphics is a high quality provider of creative copy writing, editorial services, illustrations, book designing, paper models, Pop-Up books, board games, puzzle books, fine arts, paintings, art & craft books, book packaging and lot more, with proven track record in timely delivery of high quality print & publishing solutions for a wide range of national and international companies.

Time Graphics was started with little more than a small design studio and a dream. A House

What is a house?
It's brick and stone
and wood that's hard.
Some window glass
and perhaps a yard.
It's eaves and chimneys
and tile floors
and stucco and roof
and lots of doors.
What is a home?
It's loving and family
and doing for others.
It's brothers and sisters
and fathers and mothers.
It's unselfish acts
and kindly sharing
and showing your loved ones
you're always caring.
